## Welcome and Happy Easter!

From our Pastor, **Fr. James Kulway**

Happy Easter! Christ is Risen! I would like to welcome you to St. Barnabas Parish. If this is your first time back in a while, please know that we warmly welcome you! I invite you to begin or begin again your journey of faith.

God is always calling us and desiring to lead us back to putting Him in a central place in our lives. If you decided to come to Easter Sunday Mass please trust that it is the Holy Spirit working in your heart and life to lead you back. Please consider committing to coming back more regularly and beginning to pray regularly. God wants to work powerfully in our lives, but we must give Him that chance. Come to worship Him with the Church community every Sunday and have a regular prayer life to allow His grace to work beautifully in your life truly! Also, please know our staff is here to help you in your faith in any way we can, so do not hesitate to reach out!

As we celebrate the Resurrection of Jesus from the dead this Easter Sunday and for the whole Easter Season, we remember that this event is at the center of our faith. The “main event” of Christianity is the death and Resurrection of Jesus. All grace and new life flows from the Cross and Resurrection. Every Sacrament we celebrate – whether it be Baptism, Eucharist, Confirmation, Marriage, Anointing of the Sick, Confession, or Ordination – magnificently bestows God’s grace and this power of His redeeming love comes to us from the death and Resurrection of Jesus.

As Christians, we are people of the Resurrection. We often talk about suffering, perseverance, the cross, and the trials of life, but we must never forget that we are people of the Resurrection. Jesus rising bodily from the dead is what propelled His first followers forward. The Holy Spirit at Pentecost gave them the courage to preach, but their main message was that Jesus died and rose, and through Him, we have forgiveness of sins. We always place our hope in the Resurrection and trust that by following Him faithfully, we will rise with Him no

matter how difficult the cross and trials are in our lives. The Father has revealed in raising His Son that we are in Christ, all headed to the Resurrection, so this is always our hope!

In the Gospels, Jesus frequently tells us to have faith and to believe. God will do His part and is faithful to His promise to lead us to the Resurrection, but we need to do our part. We are not our own Saviors, so our job is not to “make ourselves right,” but we do have the responsibility to respond to God’s call and truly take up the journey of faith. We need to be intentional followers of Christ, not just passively going through faith.

The starting place to be intentional followers of Jesus and to be with Him on the journey of the Resurrection is to worship Him on Sundays at Holy Mass, participate with open hearts in the Sacraments, pray frequently, and do our best to serve Him each day. In this way, we can allow God to lead us and to give us the new life that we need! God is active in every part of our lives – are we aware of this? Do we consult Him when we make decisions? Are we making an effort to grow in our faith?

I hope and pray for a very blessed Easter Sunday for you! –Fr. James Kulway, Pastor

## A Message from our seminarian intern, Noah Furin...

Dear Parishioners,  
I am so grateful for all the feedback I have received so far in my internship. As my assignment comes to a close on Sunday, April 27, I ask once again for you to consider submitting feedback (e.g., things I do well, and areas where I can improve). While I appreciate the verbal feedback I've been given after Masses, this form allows my seminary faculty to have actual data they can work with, so I would encourage you to take some time to fill it out! Thank you very much! -Noah
